FRENCH serge makes one of the best liked materials for afternoon dresses. This one is combined with velvet and with all-over lace. It is very charming and youthful in effect and is well adapted to small women, as well as to young girls. The blouse includes the new sewed-in kimono sleeves and is lapped in surplice style, yet at the same time it is closed at the back. The skirt is made in two pieces with upper and lower sections, and the

THEATRE WILL OPEN NEW YEAR'S NIGHT

Something About the Personnel of the
Gaiety Musical Comedy
Company.

Although many expressed doubt a few days ago about the new Empress theater being finished in time for its holiday opening tomorrow night, the curtain will rise promptly as announced, and Manager Reeves will be greeting his friends at the entrance with that same sunny smile that always betokens something unusual doing in local theatrical circles.

The working force on the structure has been doubled the past two days, a portion of the men working well into the night to complete the show-house in time. No detail has been overlooked to make it one of the most solid and substantial, as well as prettiest and best appointed, theaters in the west.

The newness there will also be carried out with reference to the opening attraction. Manager Reeves decided upon a musical comedy stock organization, but vowed that it must contain a cast of principals whose faces were absolutely new to Phoenix playgoers. He made a trip to the coast and found just what he was looking for in the Gaiety Musical

Comedy company.

Not a member of the cast has ever appeared here before, although they are for the most part well known in the east and on the coast. They were all as anxious to become acquainted with Phoenix as Phoenix now is to become acquainted with them. Not only, thespians and townspeople should become fast friends, as the former are already more than satisfied with their surroundings.

Miss Sadie Hunt, who does the ingenue and character parts, was with Weber & Fields when they were in the height of their triumphs. When the famous team dissolved, she continued in Joe Weber's company, leaving it to come to the coast. With the addition of the eight Gaiety girls, all vivacious and sprightly, and possessed of excellent voices, the company, in "A Visit to Paris," should make the Empress opening one of the most auspicious affairs of the theatrical season.

WRIT OF MANDAMUS AGAINST SUPERVISORS

Arizona Casket Company Brings Suit to Contest the Recent Awarding of Contract for Burial of the Dead.

The action of the board of supervisors last week in granting to Masterting & Whitney the contract for the burial of indigent dead has brought forth legal procedure from the Arizona Casket company. That company, through its attorney, Barnett E. Alarks, secured a writ of mandamus from Judge Kent yesterday, which will restrain execution of the contract temporarily.

The application set forth that the Arizona Casket company offered to bury the bodies for one-tenth of a cent each, while the firm to which the supervisors awarded the contract wanted \$4.50 for the service. "I don't see where it will do the Arizona people any good to take such steps," said Supervisor Bowen. "One undertaking firm offered us a bonus of \$5,000 for each body buried, and that looks to me like the lowest bid of the lot."

No man or woman will be denied the treatment because of poverty. Read the Tubercle advertisement.

White Sox Owner Has Offer of Phoenix Citizens to Care for Baseball Players While They Train.

NEWBRO'S HERPICIDE

A Scientific Achievement

The discovery and turning in an alarm of fire makes possible the heroic work of the firemen in putting it out.

Undiscovered, a fire spreads with amazing rapidity, destroying everything within reach.
The discovery of the dandruff germ was of inestimable value to mankind, but only because it paved the way for the greater service, the discovery of Newbro's Herpicide.

Dandruff is contagious, and its spread is checked by the use of Herpicide. This dandruff scalp dressing kills the germ, and prevents the hair from falling. It stops that itching almost instantly.

Herpicide is the one standard and original dandruff germ destroyer. Any other preparation making this claim is an imitation.

Recommended and applied by first-class barbers.
Send 1c in postage or silver for sample and booklet to The Herpicide Co., Dept. R, Detroit, Mich.

One dollar size bottles are guaranteed by all druggists.

This Girl Recovered From Consumption

The makers of Eckman's Alternative, which is doing so much good for Consumptives, are continually in receipt of really wonderful reports of cures brought about solely through the use of this medicine. These reports are always at the command of anyone interested, and many of the writers in their gratitude have suggested that like sufferers write direct and learn what it did for them. Here is one specimen:

"Gentlemen: Pardon me for not writing sooner, but I wanted to see if I would stay cured. I can now truthfully say I am perfectly well. I never felt better in all my life. I wish to express my heartfelt thanks. I never have any pain, no cough, no night sweats, no hay-fever. Since a child of two years I have been ailing with lung trouble, which grew worse as I grew older. At the age of fourteen the doctor said if I could not be sent South, I would surely die of Consumption. Every winter I would be sure to have either Bronchitis, Pleurisy, or Pneumonia. I had Typhoid-Pneumonia one time. I had catarrh of the stomach and bowels and had Hay Fever for the last few years; but have not anything of the kind this year. I will answer all letters sent to me, asking a history of my case, from any one suffering from lung trouble. I remain with many thanks to you, your grateful friend."

Three years later reports still well.
